

LESSON 6 : STUDENT WORKSHEET

Sign Detectives – Case File Questions

Student names in group: _____

Investigate

1. Which type of traveller (e.g. pedestrian, bike rider, car driver) is each sign meant to guide or warn?

2. Who do you think these signs are trying to protect?

Connect

1. What might happen if any of these rules or signs were ignored?

2. Have you ever seen these signs in your local community? If so, where?

Community Conclusions

1. List 5 road signs that you have in your community that are NOT represented in your case file.

2. How do road signs keep your community safe?
