

# Road safety education and safe travel action tracker

## Action status

Y = Yes

N = No

P = Progressing

This useful planning and assessment tool enables schools to evaluate the progress and implementation of road safety education strategies.

Leadership	Y	N	P	Comments
A whole school community road safety policy has been developed and communicated with all the relevant stakeholders.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Teachers are provided with opportunities and support to participate in road safety-related (including safe active travel) professional development.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
School leaders communicate the importance of road safety and safe active travel for improving the health, wellbeing and safety of students and contributing to the sustainability efforts of the school.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	

Teaching and learning	Y	N	P	Comments
School leaders and teachers are aware of opportunities to utilise road safety and safe active transport content to integrate with the Victorian Curriculum.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Leaders and teachers use evidence-informed practice in the delivery of road safety education.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Student-led and active learning approaches are embedded in classroom teaching and learning about road safety.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Road safety education is delivered across subject areas and all year levels. It is scaffolded and gives students opportunities to build on prior learning.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Students are given opportunities to explore: perspectives of different road users; the role all road users play in improving road safety outcomes; and the importance of physical environments that enable safe active travel.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	

Support and resources	Y	N	P	Comments
Teachers utilise the Road Safety Education Victoria website ( <a href="http://roadsafetymeducation.vic.gov.au">roadsafetymeducation.vic.gov.au</a> ), including curriculum resources and education programs.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Good road safety practice is modelled to students by staff and other members of the school community.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Students' families demonstrate a commitment to the objectives of road safety education and reinforce them at home.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	

Environment	Y	N	P	Comments
The school community actively supports and promotes safe environments for active travel (e.g. 30km/h speed limits, safe crossing points, improvements to existing infrastructure, etc).	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Healthy, active and sustainable travel modes are prioritised as the preferred means of transport to and from school. If not possible for the whole trip, at least for part of the trip.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	

Assessment	Y	N	P	Comments
School regularly monitors, evaluates and responds to identified road safety risks that may occur before, during and after school hours.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	

Engagement	Y	N	P	Comments
Students contribute to the development of whole school road safety initiatives.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
The school provides opportunities for students to demonstrate leadership in the delivery of school's road safety message to the wider school community and local community.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Students lead by example and support their peers to be safe road users.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
The school communicates with families at multiple points throughout the year regarding road safety topics as well as in response to road safety issues that arise.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
New students and families starting at the school are provided with relevant information regarding safe active transport and road safety.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Opportunities are provided for families and external stakeholders to provide input and voice concerns.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Strong partnerships are developed with local council and community groups to address local road safety issues.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
