

**there is a
pedestrian
crossing
nearby**

**the
pedestrian
light is red**

**I am riding
my bike or
scooter**

**the lights are
flashing at a
train crossing**

**it starts
getting dark
while I'm
riding**

**I'm riding on
a shared
path**

**I am within
20 metres of
a pedestrian
crossing**

**I'm
approaching
a driveway**

THEN

I will use it
and
encourage
my friends to

THEN

I will wait for
the green
signal

THEN

I will wear
my helmet

THEN

I will wait and
cross once
the train
passes

THEN

I will turn on
my bike lights
& message a
trusted adult

THEN

I will keep to
the left and
ring my bell
if passing

THEN

I will use the
crossing

THEN

I will stay alert
and look out
for reversing
cars

Because

it follows the law and keeps me safer around traffic

Because

crossing on red is illegal and unsafe

Because

it's the law and protects my head

Because

crossing at that time is illegal and dangerous

Because

it keeps me visible and others know where I am

Because

it prevents collisions and is respectful of others

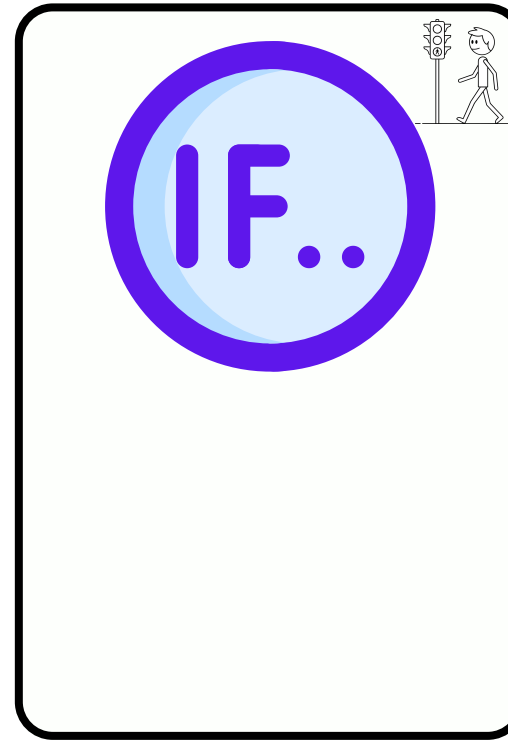

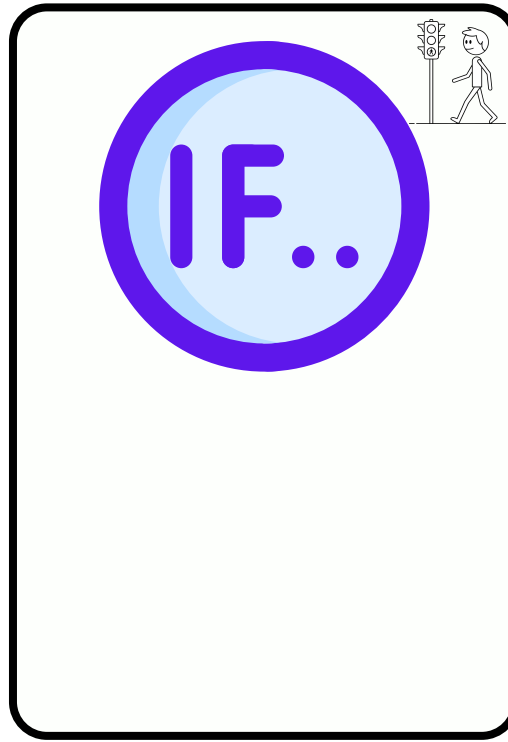

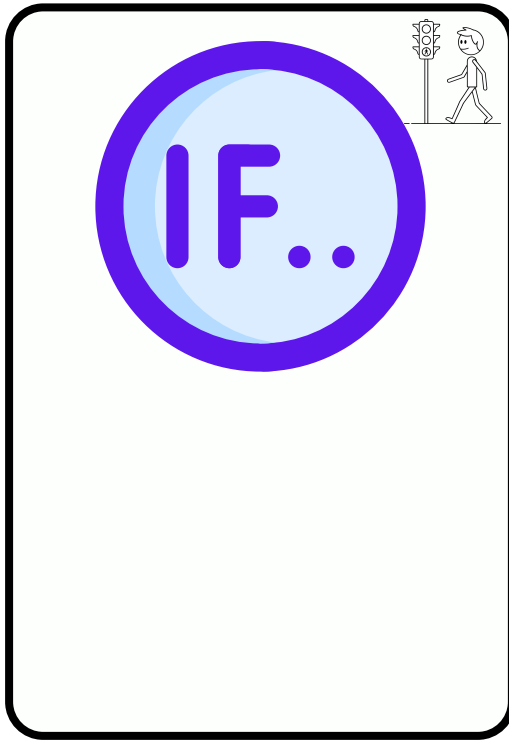

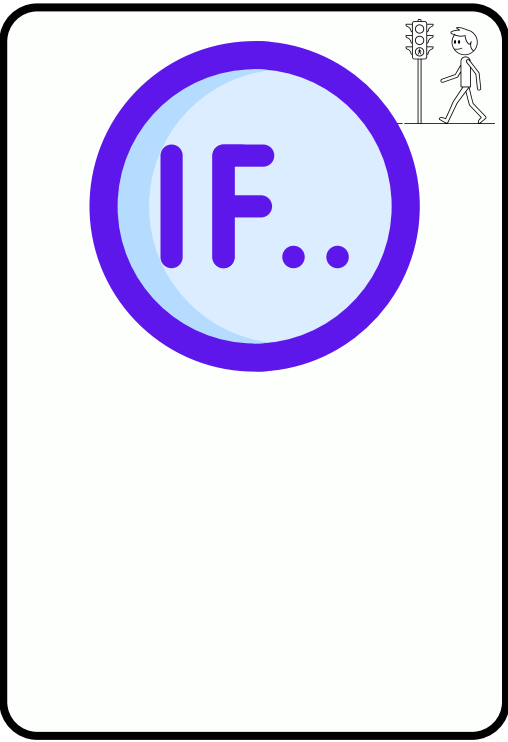

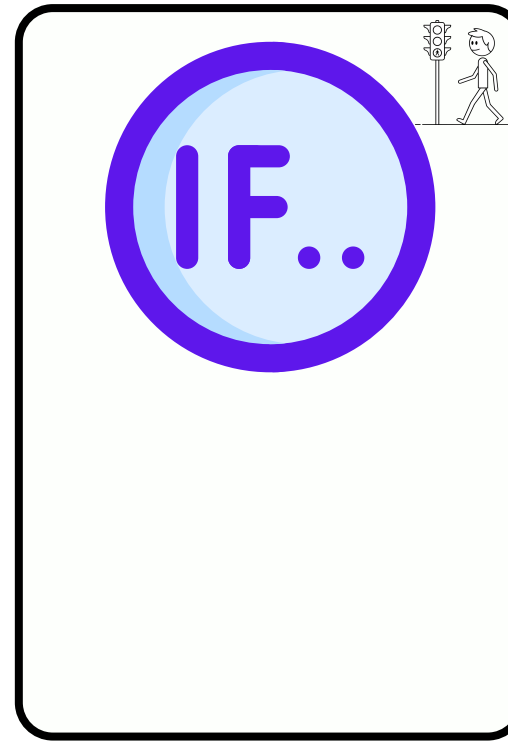

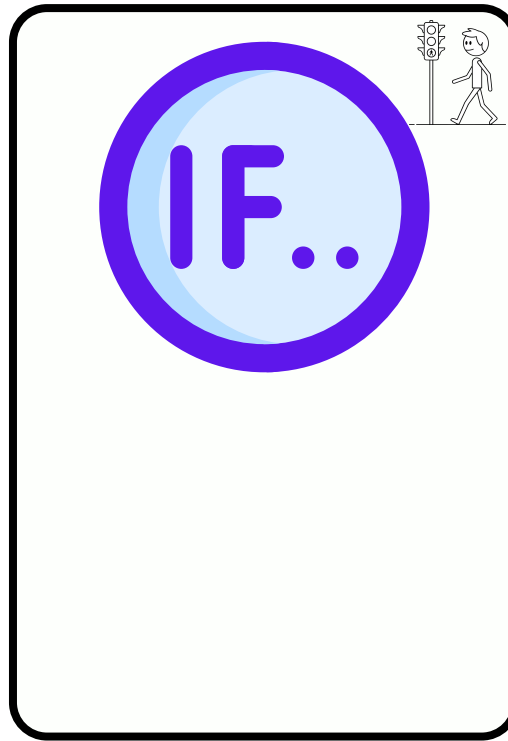

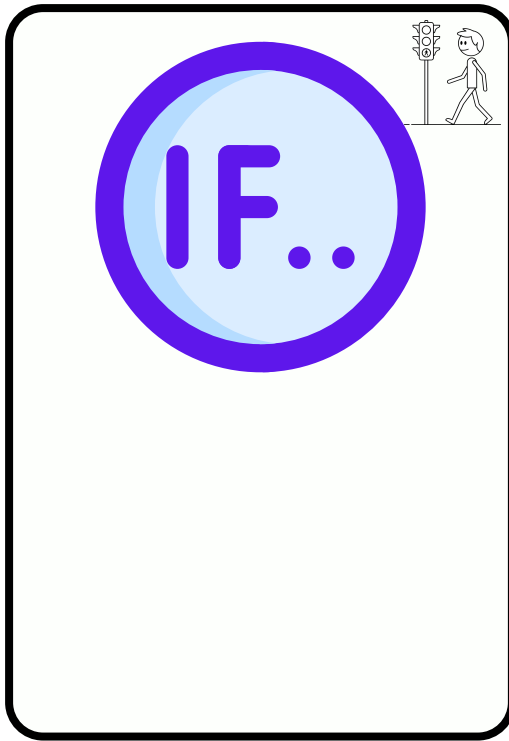

Because

it's the law and reduces risk

Because

cars drivers may not see me or stop
